# THE VALUE OF THE DAY:

## **Inspirational workshop**

With an intimate 12-16 in the room, we will crystallise our Intention and Purpose. This will help you to; find more clarity in your life, become more courageous to live your dreams, have more confidence and to live a life full of purpose.

## **Delicious refreshments**

A selection of organic snacks and refreshments to keep you going through the day.

Please bring your own lunch, or use the lovely tearooms.

## **Stimulating environment and movement**

During the day we will encourage you to stretch your legs in tandem around the beautiful grounds. Ramster Garden is famous for its stunning spring colour, with over 25 acres of peaceful woodland, views of lakes and hillsides, filled with colour and interest.

## **Visualisation and meditation**

A meditation and guided visualisation to bring us to a powerful space for our inspiring day. This is a great way to have real clarity of thought to support our growth.

# HOW YOU LEARN & GROW

## **Our Intention: Our deepest Value**

All great leaders have an emotional driver for their cause. Martin Luther King had a deep intention of freedom for his people and we believe this sat behind every decision and behaviour he delivered.

It benefits us enormously to know what these drivers are in order to inspire ourselves, our clients and all others to take a certain action.

## **Purpose: Our reason for living and working**

In order to be truly motivated we need to understand that there are core elements that human beings want;

- to experience our deepest feelings
- to feel a strong sense of security, excitement, self-worth, connection and growth
- to give to others.

## **Identity: Who we are at our best**

At a level of identity, we are incredibly complex. We use labels to describe ourselves and, even though language cannot truly encompass all that we are, it is an extremely powerful guide.

If we were to ask the people who know us best, what would they say are our greatest qualities? Knowing our true sense of self has so many benefits, most of all it creates a real value of trust in all who surround us.

## **Values and Beliefs: What is most important to us?**

Our core values, such as Trust, Honesty, Integrity, Compassion and Health, form the foundations for our emotional compass. They allow us to make the right decisions for ourselves and others. When we recognise what values are crucial for us it supports a strength to make decisions, carry them through and attract the right clients who share these qualities.

Understanding and living our values at the highest level through introspection is very powerful to discover if we are showcasing ourselves in an authentic way.

# HI, I'M CRAIG GOLDBLATT.

In the last 2 decades, I've been a sought-after International Keynote Speaker, Impact Coach and Trainer to some of the biggest businesses, charities, nonprofit organizations and top-performers in the world.

My life purpose is helping you create a meaningful legacy so we create a better world together.

I've helped incredible organizations like Microsoft, EasyJet, Carlsberg, Article 25, The Diana Award, The Ella Foundation and more clarify their mission and impact the world.

I also work one-on-one with remarkable leaders, entrepreneurs, CEOs and individuals who are hungry to live their true purpose, contribute deeply and embrace life at the highest level.

As a traveler, I've immersed myself in some of the most diverse cultures on the planet, learning lessons in love, courage, compassion and empowerment.

Now, with an enhanced awareness of purpose, intention, motivation and human identity, I bring those lessons with me to the stage, our workshops, our journeys to the Amazon and intensive 1:1 coaching.

That means I offer unique tools that are extremely effective—actionable strategies to understand yourself deeply, reveal your true purpose and clarify your vision.

I look forward to working with you!

YOUR POTENTIAL IS LIMITLESS!

I cannot stress enough the importance of the work that Craig Goldblatt is doing. Whatever you do, make it your mission to experience 'Living on Purpose' - you won't regret it. You will reflect, think, learn, dig deep and see the world from a different perspective. Do this for you!

Debra Brunner, CEO The Together Plan

This day with Craig was a powerful self-development day, enabling space to create new thoughts, inspiration to implement and the energy to dive into a new paradigm in life that enhances the way I am already working but has given me clarity to articulate and love on purpose fully

**easyJet**

A day to focus on yourself and what you need and want from life. Craig is a charismatic and knowledgeable speaker and whilst some might think "this kind of thing is not for them" I would say this is for everyone. No matter who you are, everyone can benefit from a day in this workshop!
